

Art. 27, §355A(c).

The general reference to "butanes" is deleted as unnecessary in light of the reference to the more specific "normal butane" and "isobutane."

The only other changes are in style.

(D) MARK.

"MARK" INCLUDES ANY NAME, INITIAL, OR OTHER DEVICE.

REVISOR'S NOTE: This subsection is new language added without substantive change to avoid undue repetition of the phrase "name, initial, or other device."

(E) MARKED CONTAINER.

"MARKED CONTAINER" MEANS A CONTAINER WHICH BEARS ON ITS SURFACE IN PLAINLY LEGIBLE CHARACTERS THE MARK OF ITS OWNER.

REVISOR'S NOTE: This subsection is new language added without substantive change for the purposes of brevity, as well as to make consistent all references in this subtitle to a container which bears an identification of its owner.

(F) OWNER.

"OWNER" MEANS:

(1) ANY PERSON WHO HOLDS A WRITTEN BILL OF SALE UNDER WHICH TITLE OR OWNERSHIP TO A CONTAINER WAS TRANSFERRED TO HIM; OR

(2) ANY MANUFACTURER OF A CONTAINER WHO HAS NOT TRANSFERRED OWNERSHIP OF THE CONTAINER UNDER A WRITTEN BILL OF SALE.

REVISOR'S NOTE: This subsection presently appears as Art. 27, §355A(b).

In item (2) of this subsection, the word "sold" is deleted as unnecessary in light of use of the broad term "transferred."

The only other changes are in style.

(G) PERSON.
